"Committed To Insuring Your Future"

What's not covered by Part A & Part B?

Medicare doesn't cover everything. If you need certain services that Medicare doesn't cover, you'll have to pay for them yourself unless you have other insurance or you're in a Medicare health plan that covers these services.

Even if Medicare covers a service or item, you generally have to pay your deductible, coinsurance, and copayments.

Some of the items and services that Medicare doesn't cover include:

- Long-term care (also called custodial care)
- Routine dental or eye care
- Dentures
- Cosmetic surgery
- Acupuncture
- Hearing aids and exams for fitting them
- Routine foot care
